### **For CPCN Applications and NDIEC Registration:**

**One original and 6 copies of your application (or petition) must be filed with the Commission's Docket Office. You may mail or hand-deliver your application to the following addresses:**

California Public Utilities Commission  
Docket Office  
505 Van Ness Avenue  
San Francisco, CA 94102

### **Instructions:**

1. Enter the legal name of applicant exactly as it appears on its articles or certificate of corporation or similar charter document.
2. Good standing certificates are available from the office of the Secretary of State of the State of California and should be dated of a date not more than 60 days prior to the date of filing the application. An original certificate must be attached to the manually signed copy of the application. An affiliated entity is any entity under common control with applicant. Common control exists if the same individuals or entities have the direct or indirect power to determine the action of applicant and such entity through the right to vote shares, by contract or agreement, or otherwise. Note whether any such entity is a reporting company for purposes of the Securities Exchange Act of 1934, as amended. Attach current resumes, listing all employment, for all officers and directors of applicant.
3. For individuals, domicile is the place of legal residence; for entities, it is the state of incorporation or organization.
4. A switchless reseller only uses the switch of another carrier; a facilities based carrier uses its own switch as well as the facilities of another carrier. Only facilities which meet the requirements for exemption from the California Environmental Quality Act (CEQA) pursuant to Commission Rule of Practice and Procedure 2.4 may be included in a CPCN registration. All other facilities will require a formal application.
5. If service is to be provided to less than the entire State of California, specify the exact area for which authority is requested.
6. Enter the date that applicant expects to begin offering service in California.
7. Applicants which will provide services other than ordinary voice and data communications may not use the registration system.

8. All registrants are required to obtain a performance bond, pursuant to Public Utilities Code § 1013(f). Applicant must provide the Executive Director a copy of its executed bond within five business days after the effective date of the issuance of a registration license.
9. Attach all of the following three items: 1) an audited balance sheet for the most recent fiscal year; 2) an unaudited balance sheet for the previous quarter; 3) a bank statement as of the month prior to the date of filing the application or a third-party undertaking to provide the required amounts on behalf of applicant. If the balance sheet shows current liabilities in excess of current assets or negative equity, explain how applicant will be able to maintain sufficient liquidity for its first year of operations.

Applicants who do not have profitable existing operations (e.g., applicants who are new) must meet the financial requirements through the use any of the financial instruments listed in D.95-12-056 Appendix C - 4. Entry, Certification, and Regulation of CLCs B. (4) in order to satisfy the applicable unencumbered cash requirements.

10. All NDIECs exempt from tariffing requirement must comply with the Consumer Protection Rules adopted in Decision 98-08-031.
11. Material changes in the entries for this application , such as discontinuing operation or bankruptcy, or change of name (DBA), change of address, telephone, fax number or E-mail address should be reported by a simple letter (for non-tariffed carriers) and by advice letter (quadruplicate) for tariffed carriers, referencing your CPCN number.
